

# IT'S A KNOCKOUT

Lane End Conference Centre is set in 26 acres with a dedicated 5000m2 flat-surfaced area, ideal for teambuilding activities such as It's A Knockout!

If you are up for some good 'old-school' fun, then It's-A-Knockout is what you are looking for. We work with an experienced supplier to present a fully branded It's a Knockout! event in the grounds of our team building venue here at Lane End Conference Centre.

The event includes a series of team challenges, funny outfits and lots of water and noise! The grounds at Lane End are perfect for It's A Knockout. We offer exclusive use of a 5000m2 meter teambuilding area.
